

AMY DIBLE
Co-Costume Manager & Billing Assistant

Amy has always had a love for organizing things and process workflow. She completed a Bachelor's degree in Communications with an emphasis in Public Relations and a minor in Leadership Studies, and then went on to further her education, and received her Master's degree in College Student Development. Amy worked in Higher Education Student Affairs for 12 years before deciding to switch careers to a stay-at-home mom and taking on several volunteer opportunities through her church, kids' school, and community. She and her husband Tracy have three children; Madisyn (dancer at MDM), Holden and Graeden.

Her passions are helping people and coordinating event logistics. When not in the Costume Room at MDM or working on the financial accounts of our students, she can be found organizing church events; volunteering with her sons' Cub Scout pack as the popcorn kernel; attending a youth soccer, basketball, volleyball, baseball or track event; coordinating events for the Wichita Legatus Chapter; attending bible study; shopping for home décor; or enjoying time with her family and friends.

Pairing her love for shopping and organizing with her daughter's love for dance... and add in the friendly, fun and supportive work environment, and Midwest Dance Mechanix is a great fit and "work home" for Amy.
